gloss enamels™

Americana Gloss Enamels are all-purpose, multi-surface, premium, indoor/outdoor acrylics that can be baked for a durable, dishwasher-safe finish on glass and glazed ceramics.

- Adheres to a variety of surfaces
- Beautiful gloss sheen
Offering exceptional coverage and durability, DecoArt Glass Paint comes in 25 rich, opaque satin colors and 3 shimmering metallics. It is the ideal paint for glass and glazed ceramics. The easy-to-use brush-on formula self-levels, resulting in minimal brushstrokes and a smooth, even finish. DecoArt Glass Paint will not slide off the slippery surface, making glass painting a breeze for anyone.

- Can be baked for a dishwasher-safe finish
- Satin finish
Add bold color and intricate designs to any craft or home accent project with these easy-to-use glass markers. The durable fiber nib glides across the surface for consistent, even coverage. These 1.0mm markers are available in both opaque and translucent finishes. Both lines come in a selection of vibrant colors and metallics. And both markers are bakeable for a dishwasher-safe finish.
patio paint outdoor™

For both indoor and outdoor use. Permanent and extremely durable with excellent adhesion to porous outdoor surfaces.

• No sealer required for durable, long-lasting satin finish

Turn a house into a home with DecoArt’s complete do-it-yourself home décor program. The Americana Decor line offers all of the paints, finishes, and stencils needed to bring new life to indoor and outdoor décor pieces and furniture. With ten unique lines, there is something for every style, project, and home.
DecoArt Suede are lightly textured acrylics in colors that mirror popular suede hues. They will summon memories of this velvety and warm textile and become a welcomed addition to any home decorating style.

DecoArt Suede Varnish adds a clear, velvety-matte finish to any DecoArt Suede project. This durable topcoat fuses with the paint to provide a strong layer of protection against daily use.

DecoArt Silk brings a luminous finish and sumptuous color to all home décor projects. With a subtle shimmer, these soft and delicate colors evoke a classic luxuriousness that has distinguished silk textiles for centuries. This finish adds softness to home accents and furniture and is the perfect way to turn the ordinary into the elegant.
Americana Decor Chalky Finish paint is a unique chalk, matte-finish paint that creates beautiful, vintage décor pieces without special skills or hours of training.

- Can be buffed to a smooth, shiny finish on its own or by using a Créme Wax
- No need to prime, sand, or prepare surfaces
- Advanced adhesion technology
- Easily distress for a vintage look
- Excellent opaque coverage
Create aged, crackled finishes on a variety of home décor surfaces.

This superior stain blocker and primer dries to a clear, durable finish.

Give raw and stained wooden or painted pieces a hand-rubbed luster. Delivers a smooth application and a streak-free protective finish that can be buffed to a brilliant sheen.

Specially designed for extremely weathered wooden surfaces. It lays down a thicker film to help coat and fill in gaps and cracks to create a sealed, uniform finish over weathered surfaces.
Embellish furniture and home décor pieces with added dimension and texture. The heavy-bodied paint makes building texture easy and has excellent adhesion properties.

- Can be embellished with glitter or other additives
- Ideal for use with stencils
- Smooth texture

This formula is specially designed for revitalizing old cabinets and furniture. Its hard, durable finish makes it ideal for the high-use kitchen area.

- Excellent coverage
- Smooth brushability
- Minimizes grain raising on wood
- Soap and water cleanup
Specially designed acrylic paints that give a durable, reflective finish to home décor projects. Use them to accent furniture, or even paint walls for added drama. Their patent-pending technology guarantees the most reflective painted pieces.

- Durable finish
- Excellent coverage with uniform metallic shimmer
- Patent-pending formula

Matte metallic acrylics that offer a subtle sheen and deliver excellent, opaque coverage. They are the ideal paint to add to the well-stocked DIY toolkit.

- Durable, low-sheen metallic finish
- Soap and water clean-up

* Indicates colors only available in 16-oz.
americana decor® outdoor living™

Permanent and durable interior/exterior paints with excellent adhesion to concrete, terra cotta, masonry, wood, metal, most plastics, glass, and more.

- Excellent water-resistance
- No sealer required
- Eggshell finish
- Scuff & fade resistant

Painting outside doors has never been easier. Americana Decor Curb Appeal is designed to be able to paint a door in two coats and to dry in a snap, enabling project completion in less than a day. It adheres to both metal and wood and is available in a full range of leading front door colors.

- Carefully selected, on-trend, semi-gloss colors
- Fast drying formula for painting and closing a front door in the same day
- Fade-resistant, durable formula with no sealer needed
Transparent pickling color that can be used on raw and finished surfaces. Use it on wood without hiding the natural wood grain. The transparency gives users complete control over the color intensity and amount of weathering.

- Semi-transparent paint; ideal for achieving layered, vintage effects
- Can be used over raw or finished surfaces
- Look of stain; control of paint
- No sealer required

**media™ heavy gel medium gloss**

Extra thick viscosity ideal for impasto techniques. Allows artists to build texture.
- Increases paint body
- Tintable with DecoArt Media Fluid Acrylics
- Increases finish with a glossy sheen
- Holds peaks/textures
- Dries translucent

**media™ white tinting base**

Premium, all-purpose base that is tintable with DecoArt Fluid Acrylics to create a custom, limitless palette. Increases opacity of Media Fluid Acrylics.
- Superior coverage
- Dries quickly
- Acid-free

**media™ modeling paste**

Smooth, flexible, opaque, paintable texture. It can be used as a stencil paste or to create stamped impressions, textured surfaces, or dimensional designs.
- Increases fluidity and transparency of paints without altering viscosity
- Decrease gloss sheen when used as a matte agent
- Use as a decoupage glue and photo transfer medium
- Use as a spray fixative to prevent smudging by thinning with water
- Use as a basecoat to provide excellent tooth and adhesion

**media™ sand paste**

Create texture and dimension with an ultra-fine grit texture paste similar in look and feel to wet sand.
- Brushable, sandable, and paintable
- Tintable with DecoArt Media Fluid Acrylics

**crackle paint**

Specially formulated white paint that crackles as it air-dries to create an eggshell crackling pattern in just one step. It is tintable with DecoArt Media Fluid Acrylics.
- Increases fluidity and transparency of paints without altering viscosity
