**water marbling magic medium™ DWM100**

Easy to use powder that mixes with water to create perfectly “sized” solution that allows the marbling color to float. Comes in an 8-oz. hard jar.

---

**water marbling flow & resist™ DWM101**

Mix a small amount with the marbling color to increase the flow and spread of the paint. Or dilute the Flow and Resist with water and use the resulting mixture to repel the paints on the surface to create blank areas or voids. Comes in a 2-oz. squeeze with dropper tip.

---

**water marbling surface prep™ DWM102**

Dissolve this powder in warm water and soak into fabrics or lightly sponge onto surfaces for greater color permanence. Comes in an 8-oz. hard jar.
